

# Master Academies

**JEAN BRIESE 3/13 @  
9AM-12PM & 1PM-4PM**

## ***5 Superpowers to Be Extraordinary***

Are you ready to unleash your power and level up? Jean has discovered 5 moves, or superpowers, that when you engage them, have the ability to take you from the ordinary to the extraordinary. Jean will share these superpowers, and the secrets the masters use to engage them. At the end of this presentation, you will have all the tools you need to tame the chaos and become unstoppable!

## ***From Tired and Stressed to Inspired and Blessed***

Many of us feel like we put in a ton of hours each week and yet go home at the end of the day feeling tired, and maybe we aren't even sure if we are making progress toward our goals! In this session, participants will create their own vision of an ideal life- and set goals for the areas in which they would like to improve. Participants will be given practical tools for time management (Or they won't have time to do any of the other things) and explore their own unique gifts, and how they can use this information to increase energy and to live a life they love all the time.

**CHAD WILLETT  
3/14 @ 8AM-12PM**

***Smash the Box*** by transforming your work environment (In person/ Virtual) into a culture of innovation! Groups that “Smash the Box” generate “disruptive ideas” in their meetings and execute these ideas by working their creative plan. Disruptive ideas, creative plans, and cultures of innovation lie outside the box, are you ready to take thinking outside the box to the next level?

- **“Culture of Innovation”**– Reduce fear, perfection, negativity, and judgment by knocking down the “4 Walls of the Mental Box” at the workplace.
- **Idea Generation**– Generate game changing ideas in your industry which gives you a creative advantage over your competition.
- **Execution**– Develop a creative plan (Similar to a business plan) which puts your winning ideas into tangible and practical actions which leads to results.
- **Creative Mindset**– Adopt a “Fail Fast” mentality which allows you to experiment and explore which are the cornerstones of the creative process.

**JEFF BUTLER  
3/14 @ 1PM-4PM**

## ***Redefining Leadership in the New Decade***

In this program, Jeff Butler reveals the roadmap that the most disruptive companies in the world are leveraging to maximize their employees leadership abilities. More specifically, how to create a team where leadership is encouraged and cultivated to the point where an entire organization benefits. Some strategies are commonplace like instantiating strong management systems, but others are obscure requiring a leader to truly understand how the mind works in order to unlock their employee's potential.

### **Covid Statement**

**Please note that all speakers, topics and events are subject to change. Due to the uncertainty of this pandemic, we will make decisions with our members' safety in mind and will communicate if anything changes.**

**Please plan accordingly on your part as well. If you don't feel well, please remain in your room, bring your own water bottle or coffee cup, etc.**

**Help us all by doing your part!**
